Finance tips you can take to the bank

In an intensive two-part workshop, our financial guru, Carol DiCola from Amboy Bank, shared her tips and insight on how to establish and improve credit, develop a balanced budget, watch out for scams, and how to dispute errors on a credit report. We collaborated on budget worksheets and developed strategies for our own unique situations. Did you miss the workshop but want the info? Stop by the Women's Center and we'll give you a recap!
