## Annual Report FY 2015

### Our Mission

Jewish Family Services of Middlesex County is a non-profit human services agency whose mission, rooted in Jewish values, is to help all individuals and families in need realize an improved life experience at home, in the workplace, and in the community. We pursue these aims by providing effective social services, counseling, and advocacy through responsive, caring programs.

### Our Vision

Jewish Family Services of Middlesex County is recognized as the most effective resource for those in need of human services, providing exceptional professionalism, compassion, and respect for all those who seek its support.

## A Message from the President & Executive Director

From improving family relationships to saving a life, Jewish Family Services of Middlesex County (JFS) helps thousands of New Jerseyans lead better, more productive lives and face problems that are too complex or overwhelming to deal with alone. Our services are open to all individuals and families regardless of religious affiliation.

The broad scope of services offered by JFS supports the Jewish community, builds and strengthens families, enhances the lives of senior adults, educates the community, and embraces new Americans. JFS is viewed as a critical part of our community's foundation and support system. In 2015, over 25,000 individuals received assistance from the JFS team of inspired volunteers, supporters, and staff that bring about positive change in people's lives.

Please consider joining the JFS team by becoming a volunteer, joining a JFS committee, or making a donation. This will allow JFS to increase activities, respond to current events and trends, and extend our impact in the community.

Please accept our gratitude for your interest and support in JFS.

Jack Goldberg, Board of Trustees President

Sara Levine, Executive Director

## Agency History

Jewish Family Services of Middlesex County (JFS), with offices in Milltown and Monroe Township, New Jersey is a multi-purpose non-profit agency. Starting with counseling services, JFS now offers senior services, career services, immigration services, information and referral desk, kosher food pantry, educational programs, and much more. Services are available to community members regardless of race, ethnic origin, age, gender, sexual orientation or religious preference.

Until recently, Jewish Family Services of Middlesex County was called Jewish Family and Vocational Service of Middlesex County. As we enter our 36th year of community service, we changed our name to clearly highlight our commitment to families. The goal is to address problems that are too complex or overwhelming for individuals and families to deal with alone.

JFS has an active Board of Trustees which provides agency governance and leadership. Volunteers support program activities allowing the agency to increase its impact on the community.

JFS has a long tradition of serving the community. Our history is one of change, flexibility, and growth reflecting a single goal to bring help to those members of our community in need. JFS is proud of our past and enthusiastic about our future.
