

From Our Executive Director:

Dear Friends:

Please accept our sincere gratitude for your support in helping us reach more than 25,000 families, seniors, Holocaust survivors, new Americans and individuals in need without regard to race, religion or gender preference.

As donations are more challenging to come by, we are so appreciative of all of the help we receive from our friends, volunteers, Board and, of course, incredible JFS staff. Our community needs our help, whether we're delivering a meal to a homebound senior, assisting Holocaust survivors, educating the public on Medicare fraud, counseling a family in conflict or struggling with addiction, supporting women as they become self-sufficient after loss, feeding families from our food pantries, helping immigrants with applications and citizenship, coaching job seekers or matching volunteers to people who need help.

Thank you for your generosity and support in continuing our mission: to help all individuals and families in need realize an improved life experience at home, in the workplace and in the community. Here's hoping that the next year is happy, healthy and prosperous for all.

From Our President:

I am pleased to report that 2018 proved to be another successful year for our organization. We have built upon the successes from the previous year, continuing to expand services and improve outreach to the community. It was my pleasure to attend a number of Café Europa events where I observed Holocaust survivors socializing and enjoying the great programs presented by JFS.

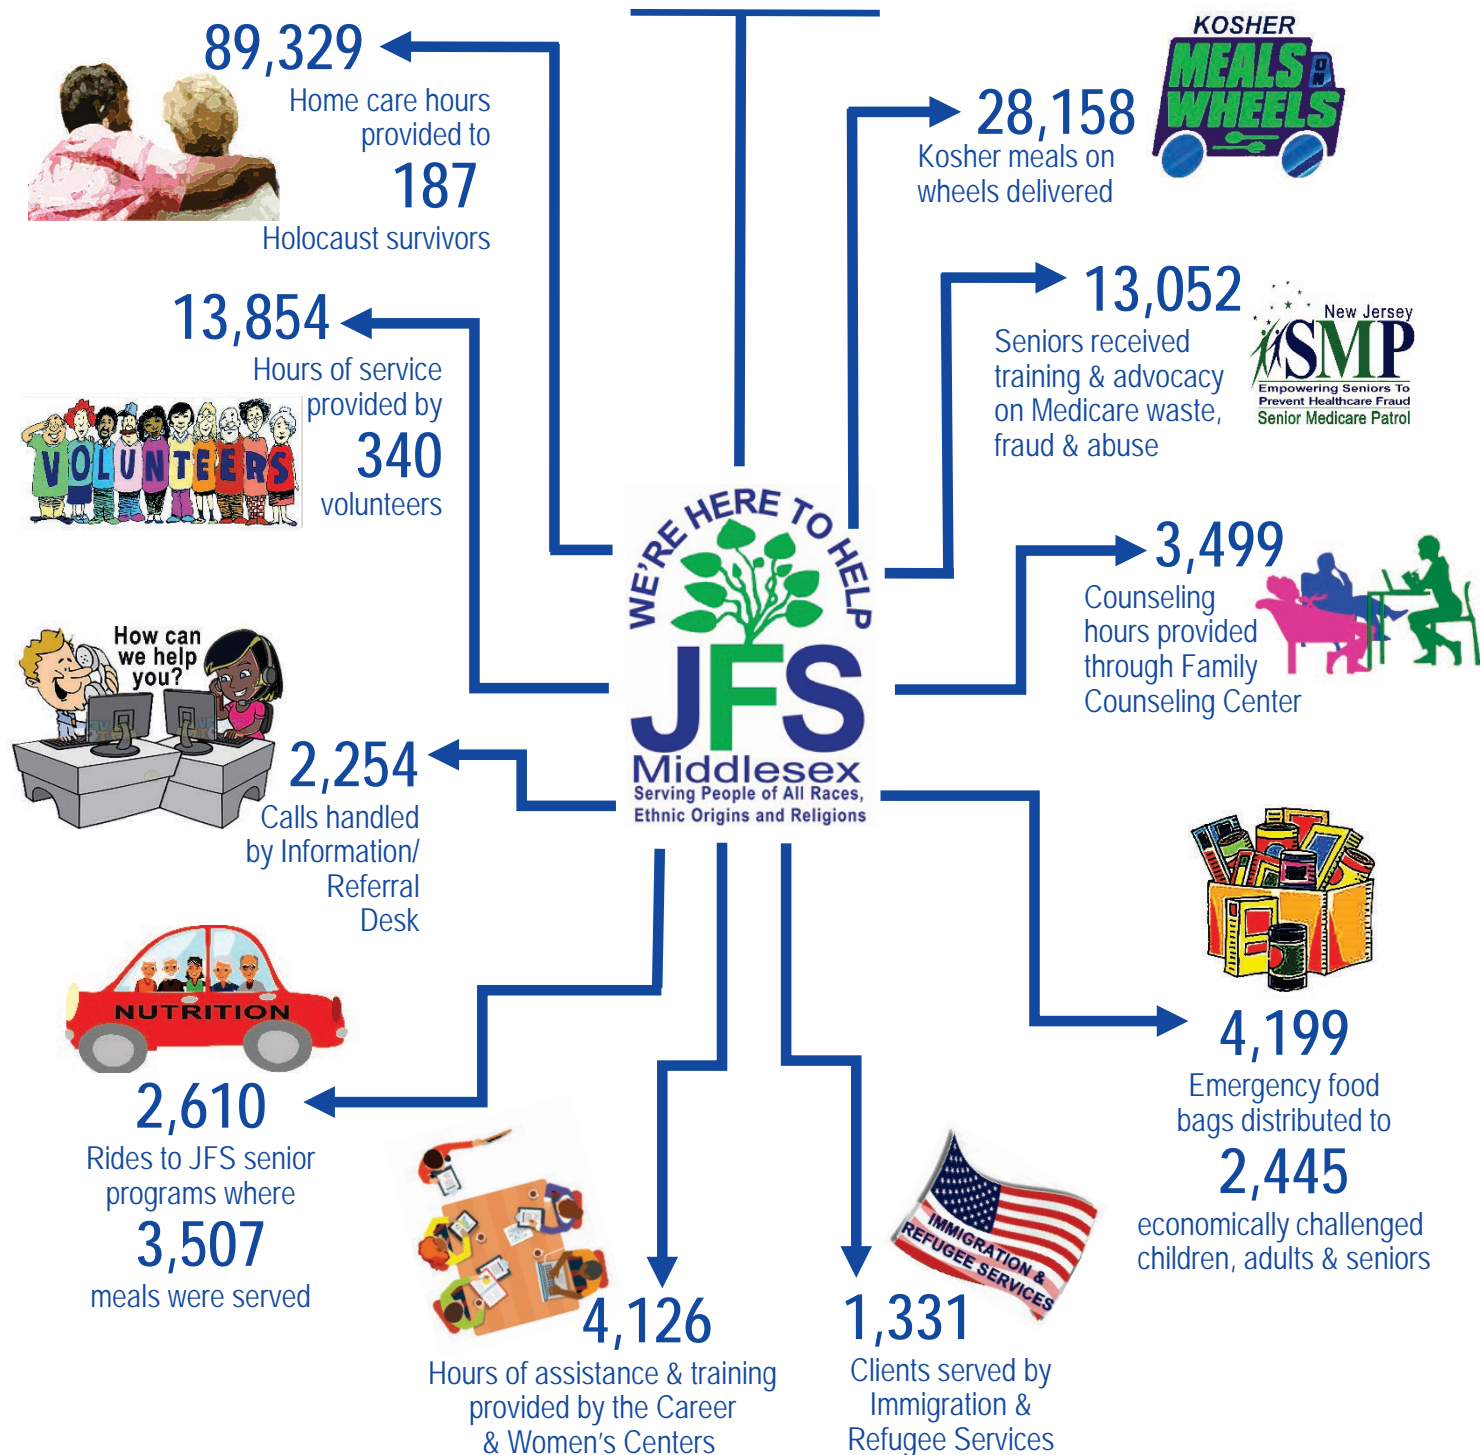

I take great pride in the accomplishments of our Board of Trustee members, staff and volunteers, who are the backbone of the organization, providing invaluable support and countless hours of service to the people we serve.

JFS will continue our mission to provide exemplary professional, compassionate and respectful services for all those who need our help. We are committed to bringing about positive outcomes in the lives of seniors, families, immigrants and Holocaust survivors. As our motto states, "We are here to help."

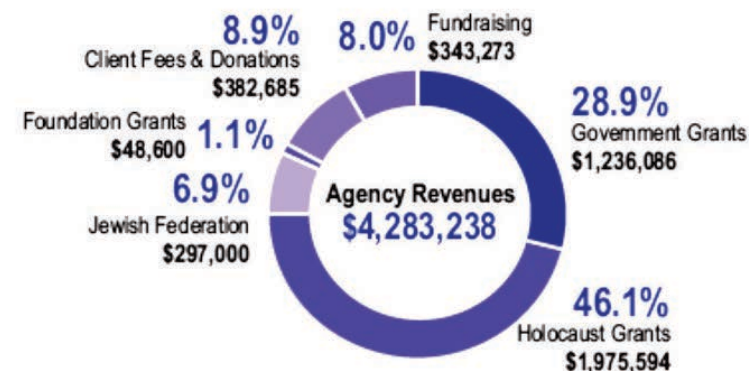

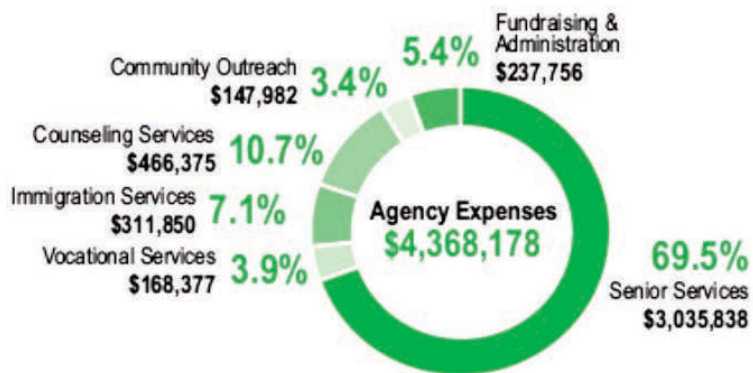

Best Regards,

Jeffrey E. Einbond
