Dear JFS Friends and Family:

We are winning! While it has been another year of challenges and crises, life is improving in our neighborhoods and communities. Thanks to the support of our JFS family and the dedication and compassion of our staff and volunteers, we have been able to serve those in need without interruption while the pandemic raged on. We know you are as happy as we are to see the virus rates dropping all around the world.

Throughout the past year, we have continued to deliver nearly twice the number of our usual kosher meals to homebound seniors and Holocaust survivors while we’ve given out hundreds more bags of food from our kosher food pantries. Our staff has worked tirelessly to keep up with the nonstop requests for mental health counseling, employment services, citizenship applications and more. Seniors and Holocaust survivors continue to receive weekly wellness checks while women working with the JFS Women’s Center continue to find the help they need to become self-sufficient after loss.

Your support has kept us going – we are one community standing together, stronger together. Your contribution feeds, educates, counsels, and empowers families. We are one voice ringing out against hatred and racism and antisemitism. We are JFS, honored to have your support to serve our community with strength and compassion.

Thank you for being part of our JFS family. We wish you and your loved ones good health and happiness and hope to see you at next year’s Gala!

Roni Salkin
Executive Director
Dear Friends,

I am pleased to report that the state of our agency is strong.

We have weathered the COVID crisis and come out resilient in the end. The agency has relocated the Milltown office to a new beautiful location in proximity to other nonprofit organizations. Our new North Brunswick office will allow us to continue agency programs in a cost-efficient location.

We have continued the vital work of the agency despite all of the limits imposed by the COVID virus. In fact, we have expanded services, most notably a significant increase in the delivery of Kosher Meals on Wheels. We have adjusted our services through the use of technology, and continue to deliver high quality mental health counseling as well as services to Holocaust survivors.

I wish to recognize the extraordinary work of our dedicated staff and volunteers. Despite the challenges presented by COVID 19, you have continued to carry out critical programs and services to our clients.

Finally, I wish to recognize the important work and support of our Board of Trustees. You have stepped up to the plate and continue to demonstrate your great support for the agency.

Stay safe and healthy,
Jeffrey Einbond
