## Independent Auditors' Report

Board of Directors  
Jewish Family & Vocational Service  
of Middlesex County, Inc.  
North Brunswick, New Jersey

### Report on the Financial Statements

We have audited the accompanying financial statements of Jewish Family & Vocational Service of Middlesex County, Inc. (a non-profit organization) which comprise the Statement of Financial Position as of December 31, 2020, and the related Statements of Activities and Changes in Net Assets, Cash Flows and Functional Expenses for the year then ended and the related Notes to the Financial Statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, which include the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jewish Family & Vocational Service of Middlesex County, Inc. as of December 31, 2020 and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

### Other Information

Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedules of Expenditures of Federal Awards, State Financial Assistance and County Financial Assistance, as required by Title 2 U.S. Code of Federal Regulation (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for the purpose of additional analysis, and are not a required part of the basic financial statements. Such information is the responsibility of management and derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information, except for the portion marked "unaudited" on which we express no opinion, has been subjected to the auditing procedures applied in the audit of the financial statements, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Supplemental Information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 20, 2021 on our consideration of Jewish Family & Vocational Service of Middlesex County, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance, and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance.

That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Jewish Family & Vocational Service of Middlesex County, Inc.'s internal control over financial reporting and compliance.

Notes to the Financial Statements**

Note 1 - Summary of significant accounting policies

Nature of activities

Jewish Family & Vocational Service of Middlesex County, Inc. D/B/A Jewish Family Services of Middlesex County (the Organization) was formed on May 2, 1980 as a non-profit organization to provide youth and family services, comprehensive services to the elderly, vocational services, and immigrant resettlement program services to the community. Primary sources of revenue are derived from Governmental and Foundation grants and other charitable contributions.

Basis of presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting.

Organization status

The Organization has been notified by the Internal Revenue Service that they are exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is further classified as an Organization that is not a private Organization under Section 509(a)(3) of the Code. The most significant tax positions of the Organization are its assertions that it is exempt from income taxes and its determination that no amounts are subject to unrelated business income tax (UBIT). Income generated by activities that would be considered unrelated to the Organization mission would be subject to income tax. The Organization follows the guidance of Accounting Standards Codification (ASC) Topic 740, *Accounting for Income Taxes*, related to uncertain income tax provisions, which prescribes a threshold of more likely than not, for recognition and derecognition of tax positions taken or expected to be taken in a tax return. Management has determined that it is more likely than not, that all tax positions would be sustained upon examination by taxing authorities. Accordingly, no provision for income taxes has been recorded. The Organization files a Form 990 Return of Organization Exempt From Tax, annually with the Internal Revenue Service, as well as a State equivalent filing. Both filings are subject to audit by the appropriate authority. The Organization returns before the year ended December 31, 2017 are no longer subject to examination by Federal or State authorities due to the statute of limitations.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**JEWISH FAMILY & VOCATIONAL  
SERVICE OF MIDDLESEX COUNTY, INC.  
Notes to the Financial Statements**

Note 1 - Summary of significant accounting policies (continued)

Clients and client fees receivable

In evaluating the collectibility of client fees receivable, the Organization analyzes its past history and identifies trends for each of its major payor sources of revenue to estimate the appropriate allowance for doubtful accounts and provisions for bad debts. Management regularly reviews data about these major payor sources of revenue in evaluating the sufficiency of the allowance for doubtful accounts. For receivables associated with services provided to patients who have third-party coverage, the Organization analyzes contractually due amounts and provides an allowance for doubtful accounts and provision for bad debts, if necessary.

Cash and cash equivalents

For purposes of the Statement of Cash Flows, the Organization considers all investment instruments with a maturity date of three months or less to be cash equivalents.

Contributions and grants receivable

Receivables are stated at the amount management expects to collect from balances outstanding. Management closely monitors outstanding balances throughout the year and writes off to expense all balances that are considered uncollectible.

Property and equipment

Property and equipment are stated at cost and depreciated over the estimated useful life of each asset. Depreciation is provided by use of the straight-line method over the following estimated useful lives:

	<u>Estimated Useful Life</u>
Leasehold improvements	39 years
Furniture and fixtures	5 years
Transportation equipment	7 years
Office equipment	5 years

Additions and improvements, which extend the useful lives of the respective assets, are charged to asset accounts and are depreciated accordingly, while general repairs and maintenance are expensed as incurred. There is no formal capitalization policy. The cost and related accumulated depreciation of assets sold or retired are eliminated from the accounts and any gains or losses are included in the changes in net assets.

**JEWISH FAMILY & VOCATIONAL  
SERVICE OF MIDDLESEX COUNTY, INC.  
Notes to the Financial Statements**

Note 1 - Summary of significant accounting policies (continued)

Net asset classifications

Net assets are classified based on the existence or absence of donor-imposed restrictions. Net assets are defined as follows:

Net assets without donor restrictions - net assets not subject to donor-imposed stipulations, and therefore, are expendable for operating purposes.

Net assets with donor restrictions - net assets subject to donor-imposed stipulations that will be met by actions of the Organization and/or by the passage of time.

Revenue recognition

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law.

Contributions

Contributions of cash and other assets, including unconditional promises to give, are considered to be available for unrestricted use unless specifically restricted by the donor and are recognized as support in the period the unconditional promise is given. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions to be received in future periods are discounted at an appropriate discount rate. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions.

Gifts of cash and other non-capital assets are reported as net assets with donor restrictions if the gifts are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statements of Activities as net assets released from donor restrictions. If a restriction is fulfilled in the same period in which the contribution is received, the support is reported as without donor restrictions.

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Schedule of Functional Expenses. Accordingly, certain costs have been allocated among the programs and services benefited. Management and general expenses include those expenses that are not directly identifiable with any specific function but provide for the overall support and direction of the Organization. Indirect expenses have been allocated based on salary expenditures.

Note 15 - Change in Accounting Standards

ASU 2016-02: The FASB issued ASU 2016-02, *Leases*. This ASU recognizes as liabilities non-cancellable leases. The liability is offset by an amortizable asset called a right to use. This ASU will be effective to the Organization in the year ending December 31, 2022. Management has not completed its assessment of the impact of this change.

ASU 2018-08: The Organization adopted ASU 2018-08 *Not for Profit Entities* during the year. This update requires that grant funds be recorded as donations with restrictions. Management has determined that the organization's method of recording revenue did not require a material change to be compliant with this standard.

Note 16 - Risks and Uncertainties

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Company's financial condition, liquidity, and future results of operations. Management is actively monitoring the impact of the global situation on its financial condition, liquidity, operations, suppliers, industry and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Company is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for the fiscal year 2021.

Note 17 - Subsequent events

The Organization's management has determined that no material events or transactions occurred subsequent to December 31, 2020 and through July 20, 2021, the date of the Organization's financial statements issuance, which require additional disclosure in the Organization's financial statements.

**Independent Auditors' Report on Internal Control Over Financial Reporting  
and on Compliance and Other Matters Based on an Audit of Financial  
Statements Performed in Accordance with Government Auditing Standards**

Board of Directors  
Jewish Family & Vocational Service  
of Middlesex County, Inc.  
North Brunswick, New Jersey

We have audited, in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the Financial Statements of Jewish Family & Vocational Service of Middlesex County, Inc. (the Organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 20, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Jewish Family & Vocational Service of Middlesex County, Inc.'s internal control over financial reporting (internal control) to determine our auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Jewish Family & Vocational Service of Middlesex County, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

### Purpose of the Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of the audit performed in accordance with *Government Accounting Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
